

To Whom it may concern

Dear Sir / Madam,

**Subject: Authorized System integrator – Green Wave Automation**

*Schneider Electric, Power Monitoring & Control (PMC)*, is an industry-leading manufacturer of electric utility and commercial/industrial metering and energy management solutions. Since 1983 we have supplied advanced metering products, power quality monitoring solutions, sub-metering systems, and enterprise energy management software systems. Our products are installed in more than 2500 locations throughout the world.

Schneider Electric would like to confirm that *Green Wave Automation* is an Authorized business partner in South Africa for Sales, Integration, Product Support and service on the complete range of PowerLogic products and software including both ION Enterprise and Struxureware Power Monitoring.

We would also like to inform you that Green Wave Automation have successfully executed various Metering projects throughout South Africa for various companies.

If there are any questions please do not hesitate to contact me.

Sincerely,

---

Shaun Wilson
